JUDGING PROCEDURES: Participant's Choice (Peer Judging) is the process of having your car judged against other cars, by your PEERS. "PEERS" are defined as the owners and drivers of other Mustangs and Fords in the Show. As a car show participant, you will be given only one (1) ballot per car entry, to vote for your choice of car in each and all classes by writing the car's entry number in the appropriate class box. No other ballots will be given out; therefore, only car show participants will be allowed to vote. Your car will be judged only by other "MUSTANG-SAVVY" people, such as yourself. You use your own standards to determine the judging criteria for each class.

The judging deadline is 1:00PM SHARP! See the ballot box at the club information booth.
